

Attention Huntington Continental Residents:

Power Washing & Painting on your Building Begins:

(Weather Permitting)

Hours of working will be from 7:00am to 4:00pm

- Painting Process to take approximately 3-4 days.
- Please remove all personal items on/or around the fences, railings and walls. Please move all personal items 4ft away from the building. Pilot and the Association will not be responsible for damage of personal items.
- Please remove all valuables from patio. Pilot will not be responsible for items left behind.
- All animals should be kept inside.
- Please be aware that the Pilot employees will be accessing your back-patio areas, by means of a ladder so please allow access. We will work on the upper portions of your unit on ladders and all around the home. Patio covers must be moved or removed to allow access. Pilot and the Association are not responsible for any patio cover damage if needed to be stood on to complete the work.
- Please make sure all windows are closed.
- Please make sure all animals are kept inside while Pilot is working on the patio.
- If you have any concerns, please contact the Crew Leader for more specific information concerning access.

******Painting of entry doors and security screen doors is homeowners' responsibility, if you would like to have either one or both painted, please reach out to Crew leader.******
Payments could be made either via phone call to Pilot Painting office 714.229.5900 x 200. Or via check payable to Pilot Painting & Construction.

- Additional cost to paint entry door \$ 75.00
- Additional cost to paint security screen doors \$125.00

Superintendent: Oscar Soto 714- 350-3282 oscar@pilotpainting.com
